~~BANAT~~ IN BANAT

MANELE MINI DISCO

SPECULATIVE FICTION

SPECULATIVE FICTION

It is the year 3000, and the manele music has been completely banned by the king of the Banat Empire, Oleic Urbano.

The residents of the region invented aerodynamic capsules in the name of freedom of expression to escape from the dictatorship and to be able to hide from the all-seeing eye of Urbano.

Citizens launch themselves into space using these capsules. Inside, they are free from any judgment or danger of being imprisoned for breaking the law.

INTERACTIVITY

- SOUND:
 - One idea is to find a way (maybe an AI) to generate maneles so that people can generate their own before entering.
 - Another idea is that people provide their name before entering through a screen and a dedication is played when they enter.
- LIGHTS
 - Lights play and move depending on how active the user is (**this has to be developed**)

DESIGN

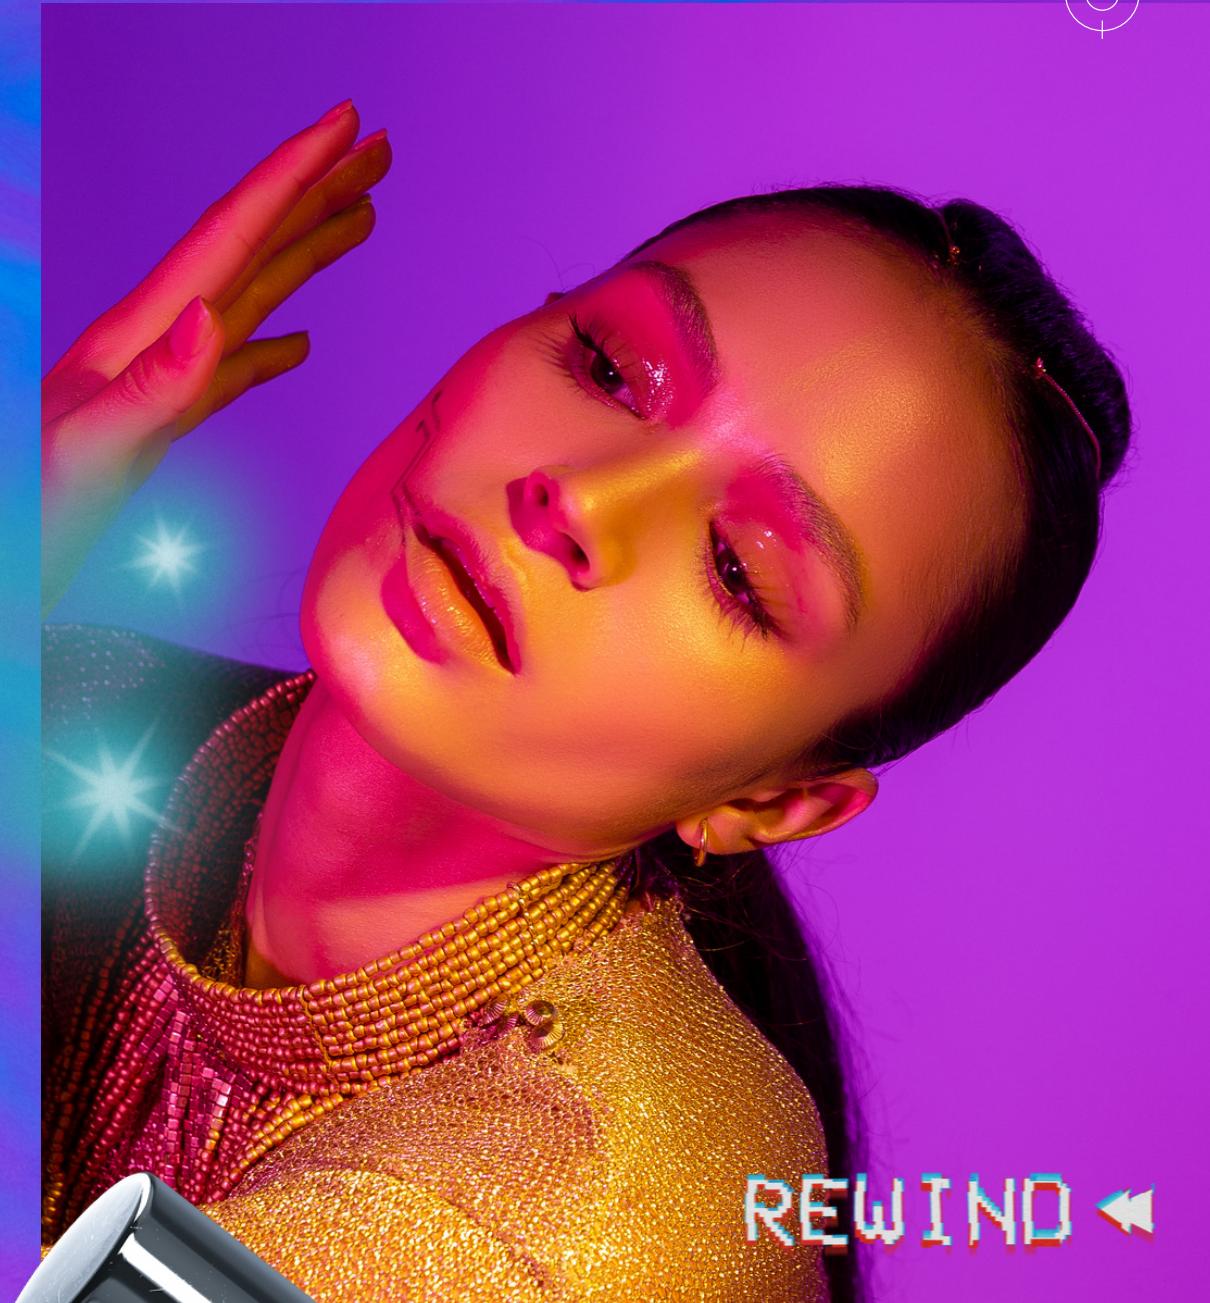

Andrada iti las aici cateva slides goale in care poti sa pui referinte legate de looks. Poti inlocui pozele cu ceva poze daca ai. Aici as spune ceva si despre infinity mirror si eventual si cu leds daca v-a placut ideea.

Use this for a photo caption.

Drag and drop your photo or video! Click the sample photo or video and delete. Select yours from the uploads tab, drag, and then drop inside the frame!
